DOMINO'S PIZZA IN LYTHAM MEETS THE RED ARROWS

-Local store swoops in to provide free pizza -

The team from Domino's Pizza in Lytham were in for a treat over the weekend as they met the Red Arrows. The Red Arrows were taking part in a display being held at the Blackpool Air Show on Sunday, August 8 and members from the local store were there to support the event and hand out pizza.

Store Manager, Jason Hunt, said: "It was amazing to meet the Red Arrows. We wanted to treat them to some pizza after their display, so we sent them 10 large pizzas, which we delivered to their base at Blackpool Airport. They put on an eye catching display and just like Domino's they know how to draw a crowd."

The Lytham store are based at 53 Woodlands Road, Lytham St Annes, tel. 01253 732222.
