DOMINO'S PIZZA DELIVERS NEW JOBS TO MIDDLESBROUGH

- Employment opportunities produced on Teesside -

Domino's, the local pizza delivery expert, is set to create around 25 full and part-time jobs when its new Middlesbrough store opens next month [December].

The store, located on Linthorpe Road, will come as a welcome employment boost to the area. Domino's Pizza will be recruiting within the community for trainee managers, trainee pizza makers, customer service representatives and delivery experts.

The franchisee for the new Middlesbrough store is local young business man, Mike Racz, aged 28 from Hartlepool. Mike is an award-winning franchisee who scooped a prestigious Acorn award earlier this year for his achievements in the hospitality and catering industry.

Mike Racz, franchisee of the new Domino's store said; "I'm very much looking forward to opening the store in Middlesbrough and can't wait to get my new team onboard. We're looking to employ people who live in the community that we'll be serving. First and foremost, we'll be looking for people who can deliver great customer service and demonstrate strong teamwork skills, as well as boundless enthusiasm. It's also vital to be able to maintain a sense of fun while working under pressure."

Domino's Pizza believes in opportunities for all. The company is an Age Positive Employer Champion, which means that it has been recognised for its commitment to welcoming applicants of all ages. Domino's will be recruiting on the basis of ability and, as many team members go on to management positions in under two years, this recruitment drive is a fantastic opportunity for jobseekers in Middlesbrough.

-MORE-

At induction, as well as throughout their career, Domino's offers its employees full training, ranging from dough management and food hygiene for pizza makers through to road safety for pizza delivery experts. Domino's always recruits from the surrounding area and, with an additional focus on developing strong community links, aims to deliver more than just great tasting pizza. In particular, Domino's supports Special Olympics Great Britain (SOGB) on both a national and local level. SOGB provides people with learning disabilities opportunities to take part in year-round sports training and competition.

Domino's in Middlesbrough is already building up a fanbase in the town through its Facebook page and as part of its opening celebrations will give the first 1,000 fans to register a free personal pizza on opening day. To register, search for 'Domino's Middlesbrough' on www.facebook.com.

- The new store is set to open in early December and is located at 160-162 Linthorpe Road, Middlesbrough TS1 3RB
