DOMINO'S PIZZA HORSHAM VISITS KIDS LIKE US AFTER SCHOOL CLUB

- Domino's Pizza Horsham makes pizza for after school club -

The staff from Domino's Pizza in Horsham visited the children at *Kids Like Us* after school club last week, to treat them to a lesson in pizza making.

The youngsters enjoyed getting to grips with the dough and learning how to make the perfect base, before adding their favourite toppings to it. All the children designed their dream pizza before putting their ideas into action and making their pizzas come true. The children were very creative, with some of them making smiley faces, cats and even flowers with their toppings. The club had been holding an Italian themed week, where the children got to taste different Italian breads and pastas. It culminated in a visit from Domino's – the day they were all looking forward to. After making their pizza creations the children were all awarded with a junior pizza maker certificate – to remind them all of their new found skill.

Tom Cruse, store manager from Domino's Pizza Horsham, said: "We were really pleased to be invited to *Kids Like Us* after school club. We love being involved in events like this, they are so much fun and playing an active part in the local community is very important to us. It was great to teach the children how to make pizza – they were all so enthusiastic and excited that we were there. Learning to make their favourite pizzas was a dream come true for them and a memory I think they will all cherish."

If you would like to invite the Domino's team to your school or club, please call the store at Horsham on 01403 275553.
