DOMINO'S TOP FATHER'S DAY GIFT IDEAS

- Perfect last minute presents for the man who has everything! -

- Socks – it's a classic idea and something that no-one can never have enough of
- Chore credits – write a 'cheque book' of chore credits for tasks such as mowing the lawn that you'll do for Dad
- Ties – another classic but it's also a great excuse to get rid of dodgy novelty ties that may be lurking in his wardrobe
- DVDs – whether he's a Trekkie or a Gleek, he'll need something to watch in between the football
- An activity day – send him off to drive a supercar or push him over the edge with a day's zorbing
- CDs – there's always a special compilation CD for such occasions. Take a look at the latest tunes for Dads or make your own if his taste is a little unique
- Treat Dad to dinner in his favourite armchair by ordering a Domino's Pizza for delivery. It'll also save on washing up!
